

Amazon Smile Rewards

Another easy way to support the Choir that does not cost you anything is through the Amazon Smile program. Shop just as you normally do at Amazon, except start by logging in to smile.amazon.com. Your account information stays the same, the prices and selection are exactly the same, but the Choir Boosters get 0.5% of the purchase price for every order.

Here is how to register:

- Go to smile.amazon.com

- make sure you are signed in to your account (upper right corner)

- You can create an account here too

- click on "account and lists"

- under the list of services, scroll down and click on "your amazon smile"

- search for Grosse Pointe South Choir Boosters

- Shop as you normally would and Thank you for Donating!

Remember the only change is, before shopping, you have to sign in with smile.amazon.com
