

Kroger Community Rewards

A very simple way to support the Choir is to utilize the Community Rewards program offered by the Kroger Co. It does not cost you anything, and Kroger sends us a quarterly check based on how much is spent by our participants. It's easy. Just create an online account tied to your Kroger Plus account (if you don't have a Kroger Plus card, you can obtain this at the store).

Here is how to register:

- Go to [kroger.com/communityrewards](https://www.kroger.com/communityrewards) to register.
- Click onto "Valued Customer" in upper right hand corner
- go to "My Account"
- Sign in if you're an established customer or create an account
- go to Community Rewards on left of Screen
- Choose GP South Choir Boosters or Organization #VD970

Note: you need to **renew this each year** on **April 1** for choir to remain your designated Community Rewards Recipient.

Thank you!
