

Save Money on Travel Costs by Selling Program Advertising for the Grosse Pointe South Choir Performances for the 2009-2010 Season

NOVEMBER 25, 2009, the Deadline to Place and Ad for the Holiday Program is rapidly approaching.

Those of you that have students going to Greece - here is a great way to reduce your student's trip cost by selling ads for the 2009 - 2010 Performance Programs! Students wanting to get a jump start on their trip accounts for next year's trip - unused balances carry over to next year.

50% of each ad sold for the Fall Follies, Holiday Concert or 2010 Broadway Performance Programs will go directly into the student's Trip Account to reduce the cost of the trip. 100% of the ads sold for the All School Musical goes to underwrite the cost of the musical program.

Many students have raised between \$300.00 and \$600.00 by selling as little as 4 ads last year. All by selling 1/8 page size business card ads while on errands to their dentists, doctors, cleaners, hair dressers, veterinarians, realtors, etc.

Parents of 2010 Seniors that plan on putting an ad in the Broadway 2010 Program-- BUY A BROADWAY PROGRAM AD BY JANUARY, 2010 AND 50% WILL GO TO THEIR TRIP ACCOUNT FOR THE GREECE TRIP.

Our Program Ads are a great way to promote your business or to congratulate a student.

Attached is the form, now go out and sell those ads!
