

Dear Choir Parents,

Congratulations to all for another successful Choir Garage Sale! **Profits were over \$5700!!!!** Thank you to the many volunteers who collected items for sale, helped to sort and set up, or helped to sell and clean up. A special thank you to senior parent **Lauren Wilson** who has been organizing the Choir Garage Sale for several years and has done a phenomenal job. Thank you to all involved.

We will need someone, or ideally a committee, to take the lead to chair or participate in organizing the Choir Garage Sale next year. If you are organized and can distinguish trash from treasure, please consider volunteering and contact us at your earliest opportunity. This community favorite activity can only occur if we have a committed group of volunteers to take on the task. Lauren will walk you through her entire plan for the sale so you will not be recreating the event. Please consider volunteering for this fun and profitable event!
