

Take 94 East to Gratiot exit (which is in the left lane right before Macomb Mall) Go North east on Gratiot till you get to Metro Parkway (16 mile) go past metro Parkway and do a Metro back to turn left or West on Metro Parkway. Take Metro Parkway to Garfield and turn Right on Garfield. Take Garfield to 19 Mile Road and turn Right on 19 Mile. Turn in at the School Sign on your Right (if you hit the T at Romeo Plank Road you went to far, turn around and turn into Chippewa Valley High School. The Auditorium is right on 19 Mile Road and is very obvious. Richard will draw out a map. I doubt your Map quests will take you this way, but I taught there for 6 years and another 8 at Macomb Community college and I've tried every way possible.....this is the quickest and best in my opinion. See below for map
