

2019/2020 GPS Choir REQUIRED/SUGGESTED Supplies and Information For Boys

Black Lace-up Character Shoes: *Required* shoe for Pointe Singer and South Singer Boys; May be purchased at Fancy Dancers in St. Clair Shores or online (try Discount Dance)

Black Socks should be worn with black shoes and should be at least at the shins if not the knees.

White T-Shirt should be worn under costume, unless directed otherwise for a specific costume.

Boxer Briefs are best for performances and rehearsal where the students are doing quick changes without much privacy. We do our best to provide separate changing areas for girls and boys, but sometimes it is not a logistical option.

Deodorant, Deodorant, Deodorant! You can never have enough deodorant. Performers work up a sweat and must re-apply to avoid unpleasant body odor.

Make-up: Boys are welcome to wear make-up for performances to enhance features and avoid looking washed out on stage.

Hair:

- Must be clean, combed and neat in appearance;
- Hair gel/spray may be used to hold hair in place;
- Hairband should be used for long hair to keep neat and away from the face.

Boys must remove nail polish and any earrings/piercings that are visible when in costume for performances.

We are happy to help with any hair or other questions about getting performance - ready. Please feel free to contact me (Dana Constand) at 313-878-5252 or constandgpschoir@gmail.com
