

Boys' 2022/2023 GPS Choir Information

Black Lace-up Character Shoes: *Required* shoe for Boys; May be purchased at Fancy Dancers in St. Clair Shores or online (try Discount Dance)

Black Dress Socks

White T-Shirt should be worn under costume (short sleeves/tank) unless directed otherwise for a specific costume.

Boxer Briefs are best for performances and rehearsal where the students are doing quick changes without much privacy. We do our best to provide separate changing areas for girls and boys, but sometimes it is not a logistical option.

Deodorant, Deodorant, Deodorant! You can never have enough deodorant. Performers work up a sweat and must reapply to avoid unpleasant body odor.

Make-up: Boys are welcome to wear make-up for performances to enhance features and avoid looking washed out on stage.

Hair:

- Must be clean, combed and neat in appearance
- Hair gel/spray may be used to hold hair in place and to keep it out of the performer's face
- Hair Bands should be used for long hair to keep it neat and away from the face.

Boys must remove nail polish and any jewelry, earrings/piercings that are visible when in costume for performances.

We are happy to help with any hair or other questions about getting performance ready:) Please feel free to call or text me (Andrea Duso) at (740)466-4413.
